

Soul Survivor

11th- 16th August

As in previous years we will be taking a group to the Soul Survivor festival this summer. Every year we get to a fortnight before the festival when we get a flurry of bookings at the last minute so this time we thought we would try to be a bit more organised!

What is it?

Soul Survivor is a youth festival which is part of the Church of England attracting around 10,000 young people to each of the 3 weeks over which it runs. We will be attending "Week B" held at the Somerset Showground. The festival includes large main meetings (held in the biggest tent in Europe) in the style of Sunday evening Legacy gatherings, music, a skatepark, cafe venues, a sports programme and much more.

Bookings

Although the festival is Christian in content there is no pressure for young people to throw themselves into this aspect and we try ensure that the young people we take feel at ease at all times. We have all main meals together as a group and ensure everyone eats properly during the week. As with all activities our trips away are covered by Legacy's Child Protection Policy and all those in leadership have CRB checks.

Dates & costs

This year we will be travelling to Somerset by coach on Wednesday 11th August and returning home again on Monday 16th August. Accommodation is under canvass with delegates supplying their own tents or sharing with friends. The cost of the event this year is £145 which includes all travel and food. Though if you pay in full by 30th April the cost will be £137.

In order to secure a place with the Legacy group we require a £10 non-returnable deposit with parental consent slip to be returned to either the Legacy XS Centre or The Rayleigh Parish Centre with the final balance being payable by 1st July (or £137 to get the early bird discount). Please note that we can only take delegates from current year 9 and above. You will be sent a full medical consent form nearer the time which must be completed before we can take your son or daughter away.

If you have any questions please contact Pete (07866 493886) or Jamie (07748 304795) and they will be pleased to help. For more information on the festival content check out the Soul Survivor website www.soulsurvivor.com/uk
