Sunday evenings (Benfleet)

- 5:00pm discussion** Discussions in the cafe. - A “led” discussion starting at 5:00pm in the cafe and running into the evening session.
- 5:30pm gatherings** On alternate weeks Sunday gatherings will start at 5:30pm to allow easy access to members of XS. After the gathering there will be a social time at The House for any who wish to continue the evening together.
- 7:00pm gatherings** One gathering a month will be a joint worship gathering with Rayleigh either in Benfleet or Rayleigh
- 7:00pm gatherings** One gathering a month will take place at 7:00pm and may be used for prayer or teaching

Joint worship - A joint service including individuals from Benfleet and Rayleigh congregations incorporating worship, prayer, preaching and communion. The co-ordinator will structure the service in conversation with those tasked with leading the different elements of the service (Worship, prayer, preaching, communion)

Worship Leader - The worship leader will organise and lead the worship during the service in liaison with the service co-ordinator. There should be at least 2 music practices before the services (a practice before the service is NOT an option with the exception of a 20-30 minute warm up and sound check before the service).

Prayers - The person leading prayer will take a lead from the service co-ordinator and arrange prayer accordingly. Prayers should include intercessory prayer to ensure that our prayer life does not become too insular.

Preacher - The subject for the evening will be set well in advance (see programme below) and share with the service co-ordinator what is planned. Preaching style should include visual aids and speaking blocks should not exceed 15 minutes without some sort of break (visual or physical) in order to maintain interest among the congregation.

5:30 gatherings - For each 5:30 gathering a co-ordinator has been allocated who is responsible for putting the evening together. They may choose to speak and lead themselves or invite others to participate in leading the evening.

Connect - Social evenings aimed at drawing in those who attend mid-week activities to Sunday nights. Skatepark activities (skate/BMX/inline etc) will run at Legacy XS, Gamer activities at Legacy Cafe (Canvey), and a general social time at The Legacy House.

Mid-week cell groups

There will continue to be an emphasis on growing and developing mid-week cell groups which will contain; social interaction, bible teaching, prayer and ministry targeted at the age and spiritual maturity of members of the group. The mid-week cell co-ordinator is Matt Rose (Student Minister).

Gym cell - Monday evenings at The House led by Jon Marsh.

Fitness cell - A “women only” cell held in the Arts Suite led by Alice Rose & Anna Moorhouse with aerobic exercise.

Legacy Jnr cell - BMX & Skate cell for younger people at Legacy XS led by Dan Wicks, Ilyos Temirov, Ellie Maddox & Tom Hillman.

BMX/Skate cell - A cell group for BMXers & skateboarders at Legacy XS led by Matt Rose & Anna Moorhouse.

Geek cell - For board and console gamers held at The House led by Jon Fryer.

18+ cell - For over 18's using the Nooma series as discussion starters. Held monthly on a Sunday afternoon with a meal.

Rayleigh cell - Wednesday evenings at The Rectory in Rayleigh meeting for bible study and fellowship led by Jamie Sawtell & Linda Lodge.

Men's & women's ministry (termly)

Every term there will be a men's and women's ministry event aimed specifically at male and female members of the youth congregations. These combined evenings will tackle issues such as “Being in relationships”, “Sex and sexuality”, “Being made as a man/woman in God's image” etc. These events will be designed to include be gender appropriate activities so that discipleship takes place in a fun yet stimulating environment.

Worship team

In order to focus on the development of Tom as as worship leader the plan will be for joint worship evenings to be led by a regular band consisting of; Tom (Guitar & worship leader), Joe (Bass), Gina (Drums), Danielle (Guitar), Suzie (Vocals)

The plan will be to ease out more experienced musicians and introduce less experienced ones as time goes by.
